### Unofficial thesis template for Graduate School of Keio University System Design and Management

by

#### Keio Taro

Submitted to the Graduate School of System Design and Management on March, 23 2017, in partial fulfillment of the requirements for the degree of Ph.D. in System Engineering

#### Abstract

write abstract here.

Thesis Supervisor: Keio Taro

Title: Professor, Department of System Design and Management

### Acknowledgments

Write thanks here. Many people also like to thank their parents and family. Lastly, I would like to thank my parents and my relatives for their faithful support.

This doctoral thesis has been examined by a Committee of the Graduate School of System Design and Management as follows:

Professor Taro Keio	
	Chairman, Thesis Supervisor Professor of System Design and Management
Professor Hanako Sys	tem
Professor Jiro Design	Member, Thesis Committee Professor of System Design and Management
	nagement
Doctor Saburo Compa	any  Member, Thesis Committee  Doctor of Engineering, Some Corportaion

### Introduction

Sample Introduction. In this introduction, Section 1.1 describes about the research background. Section 1.2 describes about the research purpose, and Section 1.3 will describe the structure of this dissertation.

### 1.1 Background

Write research background here.

#### 1.1.1 Subsection of background

Sample cite[1] shown in sample Figure 1-1 refs.

### 1.2 Research Purpose

Sample research purpose.

### 1.3 Research Outline

The remainder of this dissertation is organized as follows.

Chapter 2 focus on how some sample.

Chapter 3 describes about more samples.

Chapter 4 concludes this dissertation. Finally, limitations of this research and possible research foresights will be briefly explained.

Figure 1-2 illustrates the outline of this dissertation.

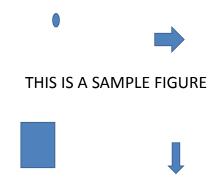

Figure 1-1: This is normal long caption you can write to describe in long figure caption sentence.

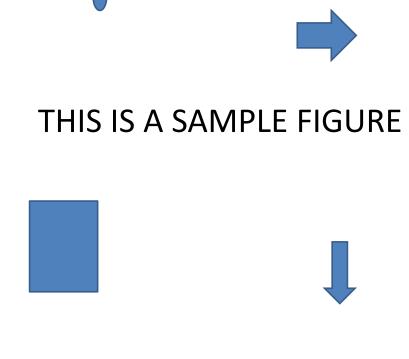

Figure 1-2: Short caption only one.

## sample of the second chapter

This is the sample of the second chapter of this template.

# The third sample

This is the third sample chapter.

# The forth sample

This is the forth sample chapter.

# Appendix A

## Tables

Table A.1: Armadillos

Armadillos	are	
our	friends	

# Appendix B

Figures

Figure B-1: Armadillo slaying lawyer.

Figure B-2: Armadillo eradicating national debt.
